TERMS OF SALES - TOURIST PACKAGES

Article 4 - Rates : Prices are published in EURO including tax, per person or as a package, and are calculated according to the number of participants. These can be sent by email to groupees@ot-honfleur.fr or by post to "Office de Tourisme de Honfleur - Service Groupes - Quai Lepaulmier BP20070 14602 Honfleur Cedex". Services not consumed, due to a delay or interruption of the trip will remain due and may not give rise to any refund.

Article 9 - Cancellation by the customer : The Customer has the possibility to terminate the contract at any time before the start of the services. In this case, the Tourist Office notifies the traveller by email or in writing of the termination of the contract as soon as possible before the start of the trip or stay.

Article 11 - Changing the number of participants : If the number of participants present on the day of the service is less than that reserved, no refund will be granted if the Tourist Office has not been informed in writing at least 3 clear days before the date of the service reserved. When changes to the contract or the substitute service cause a drop in the quality of the trip or stay or its cost, the traveller is entitled to an appropriate price reduction. If the contract is terminated and the Client does not accept any other service, the Tourist Office will refund all payments made by him or on his behalf as soon as possible, and no later than fourteen days after termination. of the contract.

If the wait is extended beyond one hour, and without warning, the appointment is considered cancelled. Invoicing nevertheless remains effective in its entirety.

Article 9 - Cancellation by the customer : Any visit cancelled in writing less than 48 hours before the service will be invoiced in full. Article 12 - Editing an item due to the Tourist Office : For all our visits, if one of the sites or point of passage of the circuit is not accessible on the day of your visit (exceptional closure, privatization, exhibition, works), we reserve the right to modify everything or part of the circuit.
